Wellness Program
Participation Requirements

Complete the following requirements before July 1, 2020:

Wellness completions must be reported through Regence, participating University departments, or our University Community Partners. Please allow 6 to 8 weeks from the date of service for regular processing and reporting of WellU completions. Timely completions reported after July 1, 2020 may result in a delay in receiving the discount (the discount will be applied when the timely completion is reported), no retro discounts will be provided. Employees are encouraged to complete the WellU requirements as early as possible to avoid any delays in application of the discount for the 2020/2021 Plan Year.

General Health Assessment

Sign into your account at www.Regence.com and complete the online General Health Assessment.

- From your Regence dashboard, click the Regence Empower button (right side of page below member information) or Regence Empower banner (by scrolling down).
- Complete the communication preferences page (if prompted).
- Click “Get Started Now!” to begin your Health Assessment.

Department Programs

*New this year, University departments can sponsor a Wellness Activity. Departments can coordinate programs on their own, or PEAK Health & Fitness can coordinate programs for departments and/or act as wellness coordinators. Programs must be pre-approved by UHRM – use the Department Program Form.*

- The program must be designed to increase the health and well-being of participating employees;
- The program must include a series of activities over at least a 6-week period; and
- Departments must designate a wellness coordinator to track participation and report the name and ID number of each employee who completed the program requirements to UHRM at the conclusion of the program.
- Potential examples include: departmental wellness challenge including step counting, departmental mindfulness offering and practices, scheduled movement breaks, and much more.

For more information on PEAK department program options and costs, call 801-585-7325.
