Introduction

This University of Utah Retiree Health Care Plan Booklet provides the written description of the terms and benefits of coverage available under the Plan. The administrative services contract between the University of Utah and Regence BlueCross BlueShield of Utah (called the "Agreement") contains all the terms of coverage. The University of Utah has a copy.

This Booklet describes benefits effective **January 1, 2021**, or the date Your coverage became effective. This Booklet replaces any plan description, Booklet or certificate previously issued by Regence BlueCross BlueShield of Utah and makes it void. The "identification card" issued to You includes Your name and Your identification number for this coverage. Present Your identification card to Your Provider before receiving care.

In this Booklet, the term "Claims Administrator" refers to Regence BlueCross BlueShield of Utah, and the term "Plan Sponsor" and "University" mean the University of Utah, whose retirees may participate under this Plan. References to "You" and "Your" refer to the Participant and/or Beneficiaries. Other terms are defined in the Definitions Section or where they are first used and are designated by the first letter being capitalized.

ACCESSING PROVIDERS

You are not restricted in Your choice of Provider for care or treatment of an Illness or Injury. You control Your out-of-pocket expenses by choosing between "In-Network" and "Out-of-Network" Providers.

- **In-Network.** Choosing In-Network Providers saves You the most in Your out-of-pocket expenses. In-Network Providers will not bill You for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.
- **Out-of-Network.** Choosing Out-of-Network Providers means Your out-of-pocket expenses will be higher than choosing an In-Network Provider. Also, an Out-of-Network Provider may bill You for balances beyond any Deductible, Copayment and/or Coinsurance. This is referred to as balance billing.

For each benefit, the Provider You may choose and Your payment amount for each provider option is indicated. See the Definitions Section for a complete description of In-Network and Out-of-Network. You can go to **regence.com** for further Provider network information.

ADDITIONAL ADVANTAGES OF PARTICIPATION

The Claims Administrator provides access to discounts on select items and services, personalized health care planning information, health-related events and innovative health-decision tools, as well as a team dedicated to Your personal health care needs. You also have access to **regence.com** to help You navigate Your way through health care decisions. **THESE ADDITIONAL VALUABLE SERVICES ARE A COMPLEMENT TO THE PLAN, BUT ARE NOT INSURANCE.**

- **Go to regence.com.** You can use the Claims Administrator's secure Web site to:
 - view recent claims, benefits and coverage;
 - find a contracting Provider;

 - learn about prescriptions for various Illnesses; and
 - compare medications based upon performance and cost, as well as discover how to receive discounts on prescriptions.

*NOTE: If You choose to access these discounts, You may receive savings on an item or service that is covered by this Plan, that also may create savings or administrative fees for the Claims Administrator. Any such discounts or coupons are complements to the Plan, but are not insurance.

ENHANCED SERVICES, SUPPORT, AND ACCESS

Your Plan Sponsor has chosen to include enhanced services, support, and access. These enhancements allow You to take better control over Your and Your family's health. Such services may include, but are not limited to:

- **Enhanced convenience and options for access to medical care.** These may include additional resources for You to receive covered medical care, such as enhanced virtual care options that are integrated with Your telemedicine, Durable Medical Equipment, preventive, behavioral health, and/or other benefits. You may also be offered increased ease in accessing non-Covered Services, such as cosmetic services or in integrating care for complex and multi-Provider conditions.
- **Healthcare and vitality assistance tools.** You may have tools that enable You to make and track medical appointments; manage health care expenses; receive support in caring for others; remember to timely refill prescriptions and perform regular self-care; track weight, food, and exercise statistics; and more.

- **Non-medical lifestyle enhancements.** These may include access or assistance with non-medical services, such as resilience, mindfulness, yoga or stress reduction programs, and pet wellness and insurances services.

Your Plan Sponsor's enhancements can be accessed through a single sign-on by visiting the Claims Administrator's Web site, or by contacting Customer Service. These services are specialized and may change over time. Your use of these additional services selected by Your Plan Sponsor is voluntary. In some cases, the Claims Administrator may have an affiliation with the entity that performs the services purchased by Your Plan Sponsor. The use of these services may result in savings or value to You, Your Plan Sponsor, and the Claims Administrator. **ANY SUCH ENHANCED SERVICES, SUPPORT, AND ACCESS ARE COMPLEMENTS TO THE PLAN, BUT ARE NOT INSURANCE.**

Understanding Your Benefits

This Section provides information to help You understand the terms Maximum Benefits, Deductibles, Copayments, Coinsurance and Out-of-Pocket Maximum. These terms are types of cost-sharing specific to Your benefits. You will need to refer to the Medical Benefits and Prescription Drugs Sections to see what Your benefits are.

MAXIMUM BENEFITS

The Plan pays a percentage of Allowed Amount up to the Annual Maximum Benefit amount for each Claimant. The Annual Maximum Benefit amount includes amounts paid for benefits provided under all medical options of the University of Utah Retiree Health Care Plan, the University of Utah ERIP Health Care Plan, and earlier Plans issued by the University. When a Claimant's benefits cumulatively total the Annual Maximum Benefit amount, coverage under all University of Utah Health Care Plans will terminate with respect to that Claimant.

In addition, some Covered Services may have a specific Maximum Benefit. Those Covered Services will be provided until the specified Maximum Benefit (which may be a number of days, visits, services, supplies, dollar amount or specified time period) has been reached. Refer to the Medical Benefits Section to determine if a Covered Service has a specific Maximum Benefit.

You will be responsible for the total billed charges for Covered Services that are in excess of any Maximum Benefits. You will also be responsible for charges for any other services or supplies not covered by this Plan, regardless of the Provider rendering such services or supplies.

DEDUCTIBLES

The Deductible is the amount You must pay each Calendar Year before the Plan will provide payments for Covered Services. The Deductible is satisfied by incurring a specific amount of expense for Covered Services during the Calendar Year for which the Allowed Amounts total the Deductible.

The Family Deductible is satisfied when the Family members' Allowed Amounts for Covered Services for that Calendar Year total and meet the Family Deductible amount. However, no one Claimant will be required to meet more than the individual Deductible amount toward the Family Deductible in a Calendar Year.

The Plan does not pay for services applied toward the Deductible. Refer to the benefit sections to see what Covered Services are subject to the Deductible. A Claimant's Deductible amount paid toward Covered Services for ambulance, blood bank, emergency room services and Prescription Drugs will apply toward the In-Network Deductible amount. Any amounts You pay for non-Covered Services, Copayments or amounts in excess of the Allowed Amount do not apply toward the Deductible.

COPAYMENTS

Copayments are a specific dollar amount that You pay directly to the Provider at the time You receive a specified service. Refer to the benefit sections to see what Covered Services are subject to a Copayment.

COINSURANCE (PERCENTAGE YOU PAY)

Your Coinsurance is the percentage You pay when the Plan's payment is less than 100 percent. The Coinsurance varies, depending on the service or supply You received and who rendered it. Your Coinsurance applies once You have satisfied the Deductible and/or any applicable Copayment for Covered Services up to any Maximum Benefit. Your Coinsurance will be based upon the lesser of either the billed charges or the Allowed Amount. The Plan does not reimburse Providers for charges above the Allowed Amount.

OUT-OF-POCKET MAXIMUM

The Out-of-Pocket Maximum is the maximum amount You could pay in a Calendar Year for Covered Services. The Out-of-Pocket Maximum is satisfied by Your payments of Deductible, Copayments and Coinsurance, unless specified otherwise.

The Family Out-of-Pocket Maximum is satisfied when the Family members' Deductibles, Copayments and Coinsurance for Covered Services for that Calendar Year total and meet the Family Out-of-Pocket Maximum amount. However, no one Claimant will be required to meet more than the individual Out-of-Pocket Maximum amount toward the Family Out-of-Pocket Maximum in a Calendar Year.

A Claimant's payment of any Deductible, Copayment and/or Coinsurance for ambulance, blood bank, emergency room services and Prescription Drugs will apply toward the In-Network Out-of-Pocket Maximum amount. Any amounts You pay for non-Covered Services or in excess of the Allowed Amount do not apply toward the Out-of-Pocket Maximum. Further, any reduction in Your Copayment and/or Coinsurance for Prescription Drugs resulting from the use of a drug manufacturer coupon may not apply toward the Out-of-Pocket Maximum. You will continue to be responsible for amounts that do not apply toward the Out-of-Pocket Maximum, even after You reach the Out-of-Pocket Maximum.

Once You reach the Out-of-Pocket Maximum, benefits subject to the Out-of-Pocket Maximum will be paid at 100 percent of the Allowed Amount for the remainder of the Calendar Year. The Coinsurance does not change to a higher payment level or apply to the Out-of-Pocket Maximum for some benefits. Refer to the benefit sections to determine if a Covered Service does not apply to the Out-of-Pocket Maximum.

HOW CALENDAR YEAR BENEFITS RENEW

The Deductible, Out-of-Pocket Maximum and Maximum Benefits are calculated on a Calendar Year basis. Each January 1, those Calendar Year maximums begin again. Some benefits have a separate Maximum Benefit based upon a Claimant's Lifetime and do not renew every Calendar Year.

The Agreement is renewed each Plan Year. A Plan Year is the 12-month period following either the Agreement's original Effective Date or subsequent renewal date. If the Agreement renews on a day other than January 1 of any year, any Deductible or Out-of-Pocket Maximum amounts You satisfied before the Agreement's renewal date will carry over into the next Plan Year. If the Deductible and/or Out-of-Pocket Maximum amounts increase during the Calendar Year, You will need to meet the new requirement minus any amount already satisfied from the previous Agreement during the same Calendar Year.

Medical Benefits

This Section explains Your benefits and cost-sharing responsibilities for Covered Services. Referrals are not required before You can use any of the benefits of this coverage, including women's health care services. All benefits are listed alphabetically.

Medical services and supplies must be Medically Necessary for the treatment of an Illness or Injury (except for any covered preventive care) and received from a Provider practicing within the scope of their license. All covered benefits are subject to the limitations, exclusions and provisions of this Plan. In some cases, the Plan may limit benefits or coverage to a less costly and Medically Necessary alternative item. A Health Intervention may be medically indicated or otherwise be Medically Necessary, yet not be a Covered Service. See the Definitions Section for descriptions of Medically Necessary and the types of Providers who deliver Covered Services.

If benefits change while You are in the Hospital (or any other facility as an inpatient), coverage will be provided based upon the benefit in effect when the stay began.

Reimbursement may be available when You purchase new medical supplies, equipment and devices from a Provider or from an approved Commercial Seller. New medical supplies, equipment and devices purchased through an approved Commercial Seller are covered at the In-Network benefit level, with reimbursement based on the lesser of either the amount paid to an In-Network Provider for that item or the retail market value for that item. To learn more about how to access reimbursable new retail medical supplies, equipment and devices, visit the Claims Administrator's Web site or contact Customer Service.

NOTE: If You choose to access new medical supplies, equipment and devices through the Claims Administrator's Web site, the Claims Administrator may receive administrative fees or similar compensation from the Commercial Seller and/or You may receive discounts or coupons for Your purchases. Any such discounts or coupons are a complement to the Plan, but are not insurance.

PREAUTHORIZATION

Some Covered Services may require preauthorization. Those services require In-Network Providers to obtain preauthorization from the Claims Administrator before providing such services to You. You will not be penalized if the In-Network Provider does not obtain preauthorization from the Claims Administrator in advance and the service is determined to be not covered.

Out-of-Network Providers are not required to obtain preauthorization from the Claims Administrator prior to providing services. You may be responsible for the cost of services provided by a Out-of-Network Provider if those services are not Medically Necessary or a Covered Service. You may request that a Out-of-Network Provider preauthorize services on Your behalf to determine Medical Necessity prior to receiving those services.

A complete list of services and supplies that require preauthorization may be obtained by visiting the Claims Administrator's Web site at: regence.com/web/regence_provider/pre-authorization or by calling Customer Service.

Preauthorization requests should be faxed by Your Provider following the instructions on the Claims Administrator's Web site.

Time Frame for Response

You will be notified in writing within 15 calendar days of the Claims Administrator's receipt of the preauthorization request whether the request has been approved, denied or if more information is needed to make a determination.

When More Information is Needed to Make a Determination

Additional information requested by the Claims Administrator must be received within 45 calendar days of the date on the letter requesting additional information. The Claims Administrator will notify You in writing of the determination within 15 calendar days of receipt of additional information or within 15 calendar days of the end of the 45-day period if no additional information is received.

If You or Your Physician believes that waiting for a determination under the standard time frame could place Your life, health or ability to regain maximum function in serious jeopardy, Your Physician should notify the Claims Administrator by phone or fax as a shorter time frame for response may apply.

Preauthorization does not guarantee payment. The Claim Administrator's reimbursement policies may affect how claims are reimbursed, and payment of benefits is subject to all Plan provisions, including eligibility for benefits at the time of services.

PREVENTIVE VERSUS DIAGNOSTIC SERVICES

Covered Services may be either preventive or diagnostic. "Preventive" care is intended to prevent an illness, injury or to detect problems before symptoms are noticed. "Diagnostic" care treats, investigates or diagnoses a condition by evaluating new symptoms, following up on abnormal test results or monitoring existing problems.

Your Provider's classification of the service as either preventive or diagnostic and any other terms in this SPD will determine the benefit that applies. For example, colonoscopies and mammograms are covered in the Preventive Care and Immunizations benefit if Your Provider bills them as preventive and they fall within the recommendations identified in that benefit. Otherwise, colonoscopies and mammograms are covered the same as any other illness or injury. You may want to ask Your Provider why a Covered Service is ordered or requested.

Ambulance services to the nearest Hospital equipped to provide treatment are covered, when any other form of transportation would endanger Your health and the transportation is not for personal or convenience purposes. Covered Services include licensed ground and air ambulance Providers.

Claims for ambulance services must include the locations You were transported to and from. The claim should also show the date of service, the patient's name, the group's and Your identification numbers.

APPROVED CLINICAL TRIALS

If an In-Network Provider is participating in an Approved Clinical Trial and will accept You as a trial participant, benefits will be provided only if You participate in the Approved Clinical Trial through that Provider. If an Approved Clinical Trial is conducted outside Your state of residence, You may participate and benefits will be provided in accordance with the terms for other covered out-of-state care. Your Routine Patient Costs in connection with an Approved Clinical Trial in which You are enrolled and participating are covered as specified in the Medical Benefits and Prescription Drugs Sections. Additional specified limits are as further defined.

Definitions

The following definitions apply to this Approved Clinical Trials benefit:

Approved Clinical Trial means a phase I, phase II, phase III or phase IV clinical trial conducted in relation to prevention, detection or treatment of cancer or other Life-threatening Condition and that is a study or investigation:

- approved or funded by one or more of:
 - the National Institutes of Health (NIH), the CDC, the Agency for Health Care Research and Quality, the Centers for Medicare & Medicaid or a cooperative group or center of any of those entities; or a cooperative group or center of the Department of Defense (DOD) or the Department of Veteran's Affairs (VA);
 - a qualified non-governmental research entity identified in guidelines issued by the NIH for center approval grants; or
 - the VA, DOD or Department of Energy, provided it is reviewed and approved through a peer review system that the Department of Health and Human Services has determined both is comparable to that of the NIH and assures unbiased review of the highest scientific standards by qualified individuals without an interest in the outcome of the review.
- conducted under an investigational new drug application reviewed by the FDA or that is a drug trial exempt from having an investigational new drug application.

Life-threatening Condition means a disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Routine Patient Costs means items and services that typically are Covered Services for a Claimant not enrolled in a clinical trial, but do not include:

- an Investigational item, device or service that is the subject of the Approved Clinical Trial;
- items and services provided solely to satisfy data collection and analysis needs and not used in the direct clinical management of the Claimant; or
- a service that is clearly inconsistent with widely accepted and established standards of care for the particular diagnosis.

If an Illness or Injury could be considered work-related, a Claimant will be required to file a claim for workers' compensation benefits before the Claims Administrator will consider providing any coverage.

Claims Administration

This section explains administration of benefits and claims, including situations that may arise when Your health care expenses are the responsibility of a source other than the Plan.

SUBMISSION OF CLAIMS AND REIMBURSEMENT

When claims are submitted and payment is due, the Claims Administrator decides whether to pay You, the Provider or You and the Provider jointly. The Plan may make benefit payments for a child covered by a legal qualified medical child support order (QMCSO) directly to the custodial parent or legal guardian of such child.

In-Network Provider Claims and Reimbursement

You must present Your identification card to an In-Network Provider and furnish any additional information requested. The Provider will submit the necessary forms and information to the Claims Administrator for processing Your claim.

The Plan will pay an In-Network Provider directly for Covered Services. These Providers may require You to pay any Deductible, Copayment and/or Coinsurance at the time You receive care or treatment. In-Network Providers have agreed not to bill You for balances beyond any Deductible, Copayment and/or Coinsurance and to accept the Allowed Amount as payment in full for Covered Services.

Out-of-Network Provider Claims and Reimbursement

In order for the Claims Administrator to pay for Covered Services, You or the Out-of-Network Provider must first send the Claims Administrator a claim. In most cases, the Plan will pay You directly for Covered Services provided by an Out-of-Network Provider. Be sure the claim is complete and includes the following information:

- an itemized description of the services given and the charges for them;
- the date treatment was given;
- the diagnosis;
- the patient's name;
- Your identification number; and
- the group number.

If the treatment is for an Injury, include a statement explaining the date, time, place and circumstances of the Injury when You send the Claims Administrator the claim.

Out-of-Network Providers have not agreed to accept the Allowed Amount as payment in full for Covered Services. You are responsible for paying any difference between the amount billed by the Out-of-Network Provider and the Allowed Amount in addition to any amount You must pay due to any Deductible, Copayment and/or Coinsurance. For Out-of-Network Providers, the Allowed Amount may be based upon the billed charges for some services, as determined by the Claims Administrator or as otherwise required by law.

Timely Filing of Claims

Written proof of loss (submission of a claim) must be received within one year after the date of service. Claims that are not filed in a timely manner will be denied, unless You can reasonably demonstrate that the claim could not have been filed in a timely manner. Benefits or coverage will not be invalidated nor reduced if it can be shown that it was not reasonably possible to file the claim and that the claim was submitted as soon as reasonably possible. You may Appeal the denial in accordance with the Appeal process to demonstrate that the claim could not have been filed in a timely manner. If You were covered by more than one health plan on the date of service, see the text of Primary Health Plan in the Coordination of Benefits provision for an exception to this timely filing rule.

Claim Determinations

Within 30 days of the Claims Administrator's receipt of a claim, the Claims Administrator will notify You of their action. However, this 30-day period may be extended by an additional 15 days due to lack of

information or extenuating circumstances. The Claims Administrator will notify You of the extension within the initial 30-day period and provide an explanation of why the extension is necessary.

If the Claims Administrator requires additional information to process the claim, the Claims Administrator must allow You at least 45 days to provide it to them. If the Claims Administrator does not receive the requested information within the time allowed, the Claims Administrator will deny the claim.

OUT-OF-AREA SERVICES

The Claims Administrator has a variety of relationships with other Blue Cross and/or Blue Shield Licensees referred to generally as "Inter-Plan Arrangements". These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever You access health care services outside the geographic area the Claims Administrator serves, the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When You receive care outside the Claims Administrator's service area, You will receive it from one of two kinds of Providers. Most Providers ("In-Network Providers") contract with the local Blue Cross and/or Blue Shield Licensee in that geographic area ("Host Blue"). Some Providers ("Out-of-Network Providers") don't contract with the Host Blue. The Booklet further explains below how the Plan pays these different kinds of Providers.

BlueCard Program

In the BlueCard Program, when You access Covered Services within the geographic area served by a Host Blue, the Claims Administrator will remain responsible for doing what the Claims Administrator agreed to in the Agreement. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating Providers.

Whenever You receive Covered Services outside the Claims Administrator's service area and the claim is processed through the BlueCard Program, the amount You pay for Covered Services is calculated based on the lower of:

- the billed covered charges for Your Covered Services; or
- the negotiated price that the Host Blue makes available to the Claims Administrator.

Often, this "negotiated price" will be a simple discount that reflects an actual price that the Host Blue pays to Your health care Provider. Sometimes, it is an estimated price that takes into account special arrangements with Your health care Provider or Provider group that may include types of settlements, incentive payments and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of health care Providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims, as noted above. However, such adjustments will not affect the price the Claims Administrator has used for Your claim because they will not be applied after a claim has already been paid.

Value-Based Programs

If You receive Covered Services from a Value-Based Program inside a Host Blue's service area, You will not be responsible for paying any of the Provider Incentives, risk-sharing, and/or Care Coordination Fees that are a part of such an arrangement, except when a Host Blue passes these fees to the Claims Administrator through average pricing or fee schedule adjustments.

The following definitions apply:

- Value-Based Program: An outcomes-based payment arrangement and/or a coordinated care model facilitated with one or more local Providers that is evaluated against cost and quality metrics/factors and is reflected in Provider payment.

- **Provider Incentive:** An additional amount of compensation paid to a health care Provider by a Blue Cross and/or Blue Shield Plan, based on the Provider's compliance with agreed-upon procedural and/or outcome measures for a particular group of covered persons.
- **Care Coordination Fee:** A fixed amount paid by a Blue Cross and/or Blue Shield Licensee to Providers periodically for Care Coordination in a Value-Based Program.

Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal law or state law may require a surcharge, tax or other fee that applies to insured accounts. If applicable, the Claims Administrator will include any such surcharge, tax or other fee as part of the claim charge passed on to You.

Nonparticipating Providers Outside the Claims Administrator's Service Area

- **Your Liability Calculation.** When Covered Services are provided outside of the Claims Administrator's service area, by Out-of-Network Providers, the amount You pay for such services will normally be based on either the Host Blue's Out-of-Network Provider local payment or the pricing arrangements required by applicable state law. In these situations, You may be responsible for the difference between the amount that the Out-of-Network Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for Out-of-Network emergency services.
- **Exceptions.** In certain situations, the Claims Administrator may use other payment methods, such as billed covered charges, the payment the Claims Administrator would make if the health care services had been obtained within the Claims Administrator's service area, or a special negotiated payment to determine the amount the Claims Administrator will pay for services provided by Out-of-Network Providers. In these situations, You may be liable for the difference between the amount that the Out-of-Network Provider bills and the payment the Claims Administrator will make for the Covered Services as set forth in this paragraph.

BLUE CROSS BLUE SHIELD GLOBAL® CORE

If You are outside the United States (hereinafter "BlueCard service area"), You may be able to take advantage of Blue Cross Blue Shield Global Core when accessing Covered Services. Blue Cross Blue Shield Global Core is not served by a Host Blue. As such, when You receive care from Providers outside the BlueCard service area, You will typically have to pay the Providers and submit the claims Yourself to obtain reimbursement for these services.

If You need medical assistance services (including locating a doctor or Hospital) outside the BlueCard service area, You should call the service center at 1 (800) 810-BLUE or call collect at 1 (804) 673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a Physician appointment or hospitalization, if necessary.

- **Inpatient Services**
In most cases, if You contact the service center for assistance, Hospitals will not require You to pay for covered inpatient services, except for Your applicable Deductible, Coinsurance, etc. In such cases, the Hospital will submit Your claims to the service center to begin claims processing. However, if You paid in full at the time of services, You must submit a claim to receive reimbursement for Covered Services.
- **Outpatient Services**
Physicians, urgent care centers and other outpatient Providers located outside the BlueCard service area will typically require You to pay in full at the time of services. You must submit a claim to obtain reimbursement for Covered Services.
- **Submitting a Blue Cross Blue Shield Global Core Claim**
When You pay for Covered Services outside the BlueCard service area, You must submit a claim to obtain reimbursement. For institutional and professional claims, You should complete a Blue Cross Blue Shield Global Core claim form and send the claim form with the Provider's itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of Your claim. The claim form is available from the

service center or online at www.bcbsglobalcore.com. If You need assistance with Your claim submission, You should call the service center at 1 (800) 810-BLUE or call collect at 1 (804) 673-1177, 24 hours a day, seven days a week.

CLAIMS RECOVERY

If the Plan pays a benefit to which You or Your Beneficiaries were not entitled, or if the Plan pays a person who is not eligible for benefits at all, the Plan has the right to recover the payment from the person the Plan paid or anyone else who benefited from it, including a Provider of services. The Plan's right to recovery for an erroneous payment made on the Participant's or any of his or her Beneficiary's behalf includes the right to deduct the mistakenly paid amount from future benefits the Plan would provide the Participant or any of his or her Beneficiaries under this Plan.

The Claims Administrator regularly works to identify and recover claims payments that should not have been made (for example, claims that are the responsibility of another, duplicates, errors, fraudulent claims, etc.). The Plan will be credited all amounts recovered.

This Claims Recovery provision in no way reduces the Plan's right to reimbursement or subrogation. Refer to the Subrogation and Right of Recovery provision for additional information.

RIGHT OF REIMBURSEMENT AND SUBROGATION RECOVERY

The provisions of this section apply to all current or former Claimants who incur claims and are or have been covered by the Plan. No adult Claimant hereunder, may assign any rights that he or she may have to recover expenses from any tortfeasor or other person or entity to any minor child or children of said adult Claimant without the prior express written consent of the Plan. These provisions will apply to all claims arising from Your Illness or Injury, including, but not limited to, wrongful death, survival or survivorship claims brought on Your, Your estate's or Your heirs' behalf, regardless of whether medical expenses were or could be claimed. "You" or "Your" includes anyone on whose behalf the Plan pays benefits.

The Plan's Right of Subrogation or reimbursement, as set forth below, extend to all insurance coverage available to You due to an Illness, Injury or condition for which the Plan has paid medical claims (including, but not limited to, liability coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers compensation coverage, no fault automobile coverage or any first party insurance coverage).

This Plan is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage, excess coverage or similar contract or insurance.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until this Plan's subrogation and reimbursement interest are fully satisfied.

Subrogation

The "Right of Subrogation" means the Plan is entitled to pursue any claims that You may have in order to recover the benefits paid by the Plan. Immediately upon paying or providing any benefit under the Plan, the Plan shall be subrogated to (stand in the place of) all of Your rights of recovery with respect to any claim or potential claim against any party, due to an Illness, Injury or condition to the full extent of benefits provided or to be provided by the Plan. The Plan may assert a claim or file suit in Your name and take appropriate action to assert its subrogation claim, with or without Your consent. The Plan is not required to pay You part of any recovery it may obtain, even if it files suit in Your name.

Reimbursement

If You receive any payment as a result of an Illness, Injury or condition, You agree to reimburse the Plan first from such payment for all amounts the Plan has paid and will pay as a result of that Illness, Injury or condition, up to and including the full amount of Your recovery. Benefit payments made under the Plan are conditioned upon Your agreement to reimburse the Plan in full from any recovery You receive for Your Illness, Injury or condition.

Constructive Trust

By accepting benefits (whether the payment of such benefits is made to You or made on Your behalf to any Provider) You agree that if You receive any payment as a result of an Illness, Injury or condition, You will serve as a constructive trustee over those funds. Failure to hold such funds in trust will be deemed a breach of Your fiduciary duty to the Plan. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until this Plan's subrogation and reimbursement interest are fully satisfied.

Lien Rights

Further, the Plan will automatically have a lien to the extent of benefits paid by the Plan for the treatment of the Illness, Injury or condition upon any recovery whether by settlement, judgment or otherwise, related to treatment for any Illness, Injury or condition for which the Plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the Plan including, but not limited to, You, Your representative or agent, and/or any other source that possessed or will possess funds representing the amount of benefits paid by the Plan.

Assignment

In order to secure the Plan's recovery rights, You agree to assign to the Plan any benefits or claims or rights of recovery You have in any automobile policy or other coverage, to the full extent of the Plan's subrogation and reimbursement claims. This assignment allows the Plan to pursue any claim You may have, whether or not You choose to pursue the claim.

First-Priority Claim

By accepting benefits from the Plan, You acknowledge that the Plan's recovery rights are a first priority claim and are to be repaid to the Plan before You receive any recovery for Your damages. The Plan shall be entitled to full reimbursement on a first-dollar basis from any payments, even if such payment to the Plan will result in a recovery which is insufficient to make You whole or to compensate You in part or in whole for the damages sustained. The Plan is not required to participate in or pay Your court costs or attorney fees to any attorney You hire to pursue Your damage claim.

Applicability to All Settlements and Judgments

The terms of this entire Subrogation and Right of Recovery provision shall apply and the Plan is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the settlement or judgment identifies the benefits the Plan provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than expenses provided by the Plan. The Plan is entitled to recover from any and all settlements or judgments, even those designated as pain and suffering, non-economic damages and/or general damages only. The Plan's claim will not be reduced due to Your own negligence.

Cooperation

You agree to cooperate fully with the Plan's efforts to recover benefits paid. It is Your duty to notify the Plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Your Illness, Injury or condition. You and Your agents agree to provide the Plan or its representatives notice of any recovery You or Your agents obtain prior to receipt of such recovery funds or within five days if no notice was given prior to receipt of recovery funds. Further, You and Your agents agree to provide notice prior to any disbursement of settlement or any other recovery funds obtained. You and Your agents shall provide all information requested by the Plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other forms or statements as the Plan may reasonably request and all documents related to or filed in personal injury litigation. Failure to provide this information, failure to assist the Plan in pursuit of its subrogation rights or failure to reimburse the Plan from any settlement or recovery You receive may result in the denial of any future benefit payments or claim until the Plan is reimbursed in full, termination of Your health benefits or the institution of court proceedings against You.

You shall do nothing to prejudice the Plan's subrogation or recovery interest or prejudice the Plan's ability to enforce the terms of this Plan provision. This includes, but is not limited to, refraining from making any

settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the Plan or disbursement of any settlement proceeds or other recovery prior to fully satisfying the Plan's subrogation and reimbursement interest.

You acknowledge that the Plan has the right to conduct an investigation regarding the Illness, Injury or condition to identify potential sources of recovery. The Plan reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

Workers' Compensation

If the entity providing workers' compensation coverage denies Your claim and You have filed an appeal, benefits will be advanced for Covered Services provided the Plan is notified of such appeal by the Labor Commission.

Future Medical Expenses

Benefits for otherwise Covered Services may be excluded when You have received a recovery from another source relating to an Illness or Injury for which the Plan would normally provide benefits. However, the amount of any Covered Services excluded in this provision will not exceed the amount of Your recovery.

Interpretation

In the event that any claim is made that any part of this Subrogation and Right of Recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the Claims Administrator shall have the sole authority to resolve all disputes regarding the interpretation of this provision.

Jurisdiction

By accepting benefits from the Plan, You agree that any court proceeding with respect to this provision may be brought in any court of competent jurisdiction as the Plan may elect. By accepting such benefits, You hereby submit to each such jurisdiction, waiving whatever rights may correspond by reason of Your present or future domicile. By accepting such benefits, You also agree to pay all attorneys' fees the Plan incurs in successful attempts to recover amounts the Plan is entitled to per this provision.

COORDINATION OF BENEFITS

If You are covered by any other Plan (as defined below), the benefits in this Booklet and those of the other Plan will be coordinated in accordance with the provisions of this section.

Definitions

The following are definitions that apply to this Coordination of Benefits provision:

Allowable Expense means, with regard to services that are covered in full or part by this Plan or any other Plan(s) covering You, the amount on which that Plan would base its benefit payment for a service, including Coinsurance or Copayments and without reduction for any applicable Deductible, except that the following are examples of expenses that are not an Allowable Expense:

- An expense or portion of an expense not covered by any of Your involved Plans.
- Any expense that a Provider by law or in accordance with a contractual agreement is prohibited from charging You.
- The difference between the cost of a private Hospital room and the cost of a semiprivate Hospital room, unless one of Your involved Plans provides coverage for private Hospital rooms.
- Any amount by which a Primary Plan's benefits were reduced because You did not comply with that Plan's provisions regarding second surgical opinion or preauthorization.
- If You are covered by two or more Plans that: 1) compute benefit payments on the basis of usual and customary fees or relative value schedule reimbursement or other similar reimbursement methodology, any amount charged by the Provider in excess of the highest reimbursement amount for a specified benefit; or 2) that provide benefits or services on the basis of negotiated fees, any amount in excess of the highest of the negotiated fees.
- If You are covered by a Plan that calculates its benefits or services on the basis of usual and customary fees, relative value schedule reimbursement, or other similar reimbursement methodology

and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the Provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the Provider's contract permits, that negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.

When a Plan provides benefits in the form of services, the reasonable cash value of each service provided will be considered both an Allowable Expense and a benefit paid.

Birthday means only the day and month of birth, regardless of the year.

Custodial Parent means the legal Custodial Parent or the physical Custodial Parent as awarded by a court decree. In the absence of a court decree, Custodial Parent means the parent with whom the child resides more than one half of the Calendar Year without regard to any temporary visitation.

Group-Type Coverage is a coverage that is not available to the general public and can be obtained and maintained only because of membership in or connection with a particular organization or group, including blanket coverage. Group-Type Coverage does not include an individually underwritten and issued guaranteed renewable coverage, even if the coverage is purchased through payroll deduction at a premium savings to You (since You would have the right to maintain or renew the coverage independently of continued employment with the employer).

Plan means any of the following with which this coverage coordinates benefits:

- individual and group accident and health insurance and subscriber contracts;
- uninsured arrangements of group or Group-Type Coverage;
- Group-Type Coverage;
- coverage through closed panel Plans (a Plan that provides coverage primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan and that excludes benefits for services provided by other Providers, except in the cases of emergency or referral by a panel member);
- medical care components of long-term care contracts, such as skilled nursing care; and
- Medicare and other governmental coverages, as permitted by law.

Plan does not include:

- hospital indemnity coverage benefits or other fixed indemnity coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- limited benefit health coverage;
- school accident-type coverages that cover students for accidents only, including athletic injuries, either on a 24-hour basis or on a "to and from school" basis;
- benefits provided in long-term care insurance policies for non-medical services (for example, personal care, adult day care, homemaker services, assistance with activities of daily living, respite care and Custodial Care) or for coverages that pay a fixed daily benefit without regard to expenses incurred or the receipt of services;
- Medicare supplement coverage;
- a Medicaid state plan; or
- a governmental Plan that, by law, provides benefits that are in excess to those of private insurance or other nongovernmental coverage.

Primary Plan means the Plan that must determine its benefits for Your health care before the benefits of another Plan and without taking the existence of that other Plan into consideration. (This is also referred to as the Plan being "primary" to another Plan.) There may be more than one Primary Plan. A Plan is a Primary Plan with regard to another Plan in any of the following circumstances:

- the Plan has no order of benefit determination provision or its order of benefit determination provision differs from the order of benefit determination provision included herein; or
- both Plans use the order of benefit determination provision included herein and by that provision the Plan determines its benefits first.

Secondary Plan means a Plan that is not a Primary Plan.

Year means Calendar Year (January 1 through December 31).

Order of Benefit Determination

The order of benefit determination is identified by using the first of the following rules that apply:

Non-dependent or dependent coverage: A Plan that covers You other than as a dependent, for example as an employee, member, policyholder retiree, or subscriber, will be primary to a Plan for which You are covered as a dependent.

Child covered under more than one Plan: Plans that cover You as a child shall determine the order of benefits as follows:

- When Your parents are married or living together (whether or not they have ever been married), the Plan of the parent whose Birthday falls earlier in the Year is the Primary Plan. If both parents have the same Birthday, the Plan that has covered a parent longer is the Primary Plan.
- When Your parents are divorced or separated or are not living together (if they have never been married) and a court decree states that one of Your parents is responsible for Your health care expenses or health care coverage, the Plan of that parent is primary to the Plan of Your other parent. If the parent with that responsibility has no health care coverage for Your health care expenses, but that parent's spouse does, the Plan of the spouse shall be primary to the Plan of Your other parent.
- If a court decree states that both parents are responsible for Your health care expenses or health care coverage, or if a court decree states that the parents have joint custody of You, without specifying that one of the parents is responsible for Your health care expenses or health care coverage, the provisions of the first bullet above (based on parental Birthdays) shall determine the order of benefits.
- If there is no court decree allocating responsibility for Your health care expenses or health care coverage, the order of benefits is as follows:
 - The Plan of Your Custodial Parent shall be primary to the Plan of Your Custodial Parent's spouse;
 - The Plan of Your Custodial Parent's spouse shall be primary to the Plan of Your noncustodial parent; and
 - The Plan of Your noncustodial parent shall be primary to the Plan of Your noncustodial parent's spouse.

If You are covered by more than one Plan and one or more of the Plans provides You coverage through individuals who are not Your parents (for example, a guardian or step-parent), the order of benefits shall be determined, as applicable using the provisions under the first or second bullets above, as if those individuals were Your parents.

Active, retired, or laid-off employees: A Plan that covers You as an active employee (that is, an employee who is neither laid off nor retired) or as a dependent of an active employee, is primary to a Plan by which You are covered as a laid off or retired employee. If the other Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.

COBRA or state continuation coverage: A Plan that covers You as an employee, member, subscriber or retiree or as a dependent of an employee, member, subscriber or retiree, is primary to a Plan by which You are covered pursuant to COBRA or a right of continuation by state or other federal law. If the other

Plan does not have this rule and if, as a result, the Plans do not agree on the order of benefits, this rule will not apply.

Longer/shorter length of coverage: When none of the paragraphs above establishes an order of benefit determination, the benefits of the Plan that has covered You for the longer period of time will be determined before the benefits of the Plan that has covered You for the shorter period of time. To determine the length of time You have been covered by a Plan, two successive Plans will be treated as one if You were eligible by the second Plan within 24 hours after the first Plan ended. The start of a new Plan does not include:

- a change in the amount or scope of a Plan's benefits;
- a change in the entity that pays, provides or administers the Plan's benefits; or
- a change from one type of Plan to another (such as from a single-employer Plan to a multiple employer Plan).

Your length of time covered by a Plan is measured from Your first date of coverage with that Plan. If that date is not readily available for a group Plan, the date You first became a member of the group will be used as the date from which to determine the length of time coverage with the present Plan has been in force.

If an order of benefit determination is not identified by the preceding rules, the Plans shall share equally in the Allowable Expenses. Each of the Plans by which You are covered, and each of the benefits within the Plan, will be considered separately in administering this Coordination of Benefits provision.

Primary Health Plan Benefits

When, in accordance with the order of benefit determination, this coverage is the Primary Plan, the Plan will pay the benefits of this coverage as if no other Plan exists. Despite the provisions of timely filing of claims, where this Plan is the Primary Plan, benefits will not be denied by this Plan on the ground that a claim was not timely submitted if the claim was timely submitted to one or more Secondary Plans and was submitted to the Claims Administrator within 36 months of the date of service.

Secondary Health Plan Benefits

If, in accordance with the order of benefit determination, one or more other Plans are primary to this Plan, the benefits of this Plan will be calculated as follows:

The Claims Administrator will calculate the benefits that the Plan would have paid for a service if this coverage were the Primary Plan. That calculated amount will be applied to any Allowable Expense for that service that is unpaid by the Primary Plan. This Plan will:

- reduce payment so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed 100 percent of the total Allowable Expense for that claim; and
- credit to this Plan's Deductible (if applicable), any amounts that would have been credited for the service if this Plan were the Primary Plan.

Nothing contained in this Coordination of Benefits provision requires this Plan to pay for all or part of any service that is not covered by this Plan. Further, in no event will this Coordination of Benefits provision operate to increase this Plan's payment over what would have been paid in the absence of this Coordination of Benefits provision.

Right to Receive and Release Needed Information

Certain facts are needed to apply Coordination of Benefits provisions. The Claims Administrator has the right to decide which facts they need. The Claims Administrator may get needed facts from, or give them to, any other organization or person as permitted by law, and need not tell or get the consent of any person to do this. You will promptly furnish to the Claims Administrator any information necessary or appropriate to administer this Coordination of Benefits provision. Receipt of such information by the Claims Administrator will be a condition precedent to this Plan's obligation to provide benefits in this Booklet.

Right of Recovery

If the Plan provides benefits to or on behalf of You in excess of the amount that would have been payable in this Plan by reason of Your coverage with any other Plan(s), the Claims Administrator will be entitled to the excess as follows:

- From You, if payment was made to You. Recovery would be by reversal of payments and be limited to a period within 24 months of the overpayment, unless reversal is necessitated by Your fraudulent act(s), fraudulent statement(s), or material misrepresentations. This Plan will be entitled to recover the amount of such excess by the reversal of payment from You and You agree to reimburse this Plan on demand for any and all such amounts. If a third-party collection agency or attorney is used to collect the overpayment, You agree to pay collection fees incurred, including, but not limited to, any court costs and attorney fees. If You do not pay, future benefits may be withheld to offset the amount owing to it. The Claims Administrator is responsible for making proper adjustments between insurers and Providers.
- From Providers, if payment was made to them. Recovery would be by reversal of payments and be limited to a period within 24 months of the overpayment, unless reversal is necessitated by Your fraudulent act(s), fraudulent statement(s), or material misrepresentation(s). The Claims Administrator is responsible for making proper adjustments between insurers and Providers.
- From the other Plan or an insurer.
- From other organizations.

A Secondary Plan that provides benefits in the form of services may recover the reasonable cash value of the services from the Primary Plan to the extent that benefits for the services are covered by the Primary Plan and have not already been paid or provided by it.

Appeal Process

If You or Your Representative (any Representative authorized by You) has a concern regarding a claim denial or other action by the Claims Administrator under the Plan and wishes to have it reviewed, You may Appeal. There are two levels of Appeal, as well as additional voluntary Appeal levels You may pursue. Certain matters requiring quicker consideration may qualify for a level of expedited Appeal and are described separately later in this section.

FILING APPEALS

Appeals can be initiated through either written or verbal request. A written request can be made by sending it to the Claims Administrator at: Attn: ASO Appeals and Grievances, Regence BlueCross BlueShield of Utah, P.O. Box 91015, Seattle, WA 98111-9115 or facsimile 1 (877) 663-7526. Verbal requests can be made by calling the Claims Administrator's Customer Service.

Each level of Appeal, except voluntary external review, must be pursued within 180 days of Your receipt of the Claims Administrator's determination (or, in the case of the first level, within 180 days of Your receipt of the Claims Administrator's original adverse decision that You are Appealing). You, or Your Representative on Your behalf, will be given a reasonable opportunity to provide written materials. If You don't Appeal within this time period, You will not be able to continue to pursue the Appeal process and may jeopardize Your ability to pursue the matter in any forum.

If You or Your treating Provider determines that Your health could be jeopardized by waiting for a decision from the regular Appeal process, You or Your treating Provider may specifically request an expedited Appeal. See Expedited Appeals later in this section for more information.

First-Level Appeals

First-level Appeals are reviewed by a Claims Administrator employee or employees who were not involved in the initial decision that You are Appealing. In Appeals that involve issues requiring medical judgment, the decision is made by the Claims Administrator's staff of health care professionals. For Post-Service Appeals, a written notice of the decision will be sent within 30 days of receipt of the Appeal. For Appeals involving a Pre-Service preauthorization of a procedure, the Claims Administrator will send a written notice of the decision within 15 days of receipt of the Appeal.

Second-Level Appeals

Second-level Appeals are reviewed by a Claims Administrator employee or employees who were not involved in, or subordinate to anyone involved in, the initial or the first-level decision. For Post-Service Appeals, a written notice of the decision will be sent within 30 days of receipt of the Appeal. For Appeals involving a Pre-Service preauthorization of a procedure, the Claims Administrator will send a written notice of the decision within 15 days of receipt of the Appeal.

VOLUNTARY EXTERNAL APPEAL – INDEPENDENT REVIEW ORGANIZATION

A voluntary Appeal to an IRO is available for issues involving medical judgment (including, but not limited to, those based on the Plan's requirements for Medical Necessity, appropriateness, health care setting, level of care or effectiveness of a Covered Service; or the determination that a treatment is Investigational), but only after You have exhausted all of the applicable non-voluntary levels of Appeal, or if the Claims Administrator has failed to adhere to all claims and internal Appeal requirements. Voluntary External Appeals must be requested within four months of Your receipt of the notice of the prior adverse decision.

The Claims Administrator coordinates voluntary external Appeals, but the decision is made by an IRO at no cost to You. The Claims Administrator will provide the IRO with the Appeal documentation. The IRO will make their decision and provide You with written determination within 45 days of receipt of the request. Choosing the voluntary external Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision and this section, except to the extent other remedies are available under State or Federal law.

The voluntary external Appeal by an IRO is optional and You should know that other forums may be used as the final level of Appeal to resolve a dispute You have under the Plan.

EXPEDITED APPEALS

An expedited Appeal is available if one of the following applies:

- the application of regular Appeal time frames on a Pre-Service or concurrent care claim either:
 - could jeopardize Your life, health or ability to regain maximum function; or
 - according to a Provider with knowledge of Your medical condition, would subject You to severe pain that cannot be adequately managed without the disputed care or treatment.

First-Level Expedited Appeal

The first-level expedited Appeal request should state the need for a decision on an expedited basis and must include documentation necessary for the Appeal decision. First-level expedited Appeals are reviewed by the Claims Administrator's staff of healthcare professionals who were not involved in, or subordinate to anyone involved in, the initial denial determination. Verbal notice of the decision will be provided to You and Your Representative as soon as possible after the decision, but no later than 72 hours of receipt of the Appeal. A written notification of the decision will be mailed to You within three calendar days of the verbal notice.

Voluntary Expedited External Appeal – IRO

If You disagree with the decision made in the first-level expedited Appeal and You or Your Representative reasonably believes that preauthorization remains clinically urgent (Pre-Service or concurrent), You may request a voluntary expedited external Appeal to an IRO. The criteria for a voluntary expedited external Appeal to an IRO are the same as described above for voluntary external Appeal.

The Claims Administrator coordinates voluntary expedited external Appeals, but the decision is made by an IRO at no cost to You. The Claims Administrator will provide the IRO with the Appeal documentation. The IRO will provide verbal notice of their decision to You and Your Representative as soon as possible after the decision, but no later than within 72 hours of receipt of Your request. A written notification of their decision will be mailed to You within 48 hours of the verbal notice. Choosing the voluntary expedited Appeal as the final level to determine an Appeal will be binding in accordance with the IRO's decision and this section, except to the extent other remedies are available under State or Federal law.

The voluntary expedited Appeal by an IRO is optional and You should know that other forums may be used as the final level of expedited Appeal to resolve a dispute You have under the Plan.

INFORMATION

If You have any questions about the Appeal Process contact the Claims Administrator's Customer Service or write to the following address: Regence BlueCross BlueShield of Utah, P.O. Box 2998, Tacoma, WA 98401-2998 or facsimile 1 (877) 663-7526.

DEFINITIONS

The following definitions apply to this Appeal Process Section:

Appeal means a written or verbal request from a Claimant or, if authorized by the Claimant, the Claimant's Representative, to change a previous decision made by the Claims Administrator concerning:

- access to health care benefits, including an adverse determination made pursuant to utilization management;
- claims payment, handling or reimbursement for health care services;
- matters pertaining to the contractual relationship between a Claimant and the Plan; and
- other matters as specifically required by state law or regulation.

Independent Review Organization (IRO) is an independent Physician review organization which acts as the decision-maker for voluntary external Appeals and voluntary external expedited Appeals, through an independent contractor relationship with the Claims Administrator and/or through assignment to the Claims Administrator via state regulatory requirements. The IRO is unbiased and is not controlled by the Claims Administrator.

Post-Service means any claim for benefits that is not considered Pre-Service.

Pre-Service means any claim for benefits which the Claims Administrator must approve in advance, in whole or in part, in order for a benefit to be paid.

Representative means someone who represents You for the Appeal. The Representative may be an attorney, Your authorized Representative or a treating Provider. It may also be another party, such as a family member, as long as You or Your legal guardian authorize in writing, disclosure of personal information for the Appeal. No authorization is required from the parent(s) or legal guardian of a Claimant who is an unmarried and dependent child and is less than 13 years old. For expedited Appeals only, a health care professional with knowledge of Your medical condition is recognized as Your Representative. Even if You have previously designated a person as Your Representative for a previous matter, an authorization designating that person as Your Representative in a new matter will be required (but redesignation is not required for each Appeal level). If no authorization exists and is not received in the course of the Appeal, the determination and any personal information will be disclosed to You, Your Representative or Your treating Provider only.

Eligibility and Enrollment

This section explains how to enroll Yourself and/or Your eligible dependents when first eligible, during a period of special enrollment or during an annual enrollment period. It describes when coverage under the Plan begins for You and/or Your eligible dependents. Payment of any corresponding monthly costs is required for coverage to begin on the indicated dates. Applications for coverage should be filed with University Human Resource Management.

INITIALLY ELIGIBLE AND WHEN COVERAGE BEGINS

Once eligible for coverage, You may enroll Yourself and Your eligible dependents in this Plan. To enroll, You must submit Your completed enrollment forms to University Human Resource Management within one (1) month of the date You become eligible to participate in this Plan. When enrollment forms are submitted timely, coverage for You and Your eligible dependents will commence immediately following termination of coverage under the University of Utah Employee Health Care Plan or Transitional Health Care Plan.

Employees

Active employees of the University are not eligible to participate in this Plan.

Retirees

If You are an eligible retiree, You may enroll in this Plan after retirement. You are an eligible retiree if You:

- (a) are age 60 or older; and
- (b) have 30 or more years of service with the University or an affiliated group eligible for enrollment in the University's Employee Health Care Plan (or have 20 or more years of service with the University, working in a position that qualifies for participation in the Public Safety Retirement Systems Plan through Utah Retirement Systems); and
- commence full retirement after completing 5 years of continuous benefit-eligible service for the University (or an affiliated group eligible for enrollment in the University's Employee Health Care Plan) immediately prior to retirement.

If You or Your eligible dependent are eligible or become eligible to enroll in Medicare, Your coverage under the Plan will continue as a Medicare Supplement Plan secondary to Medicare, regardless of whether You or Your eligible dependent enroll in Medicare.

If You are an eligible retiree and elect to enroll in this Plan, You may also enroll Your eligible dependents (defined below).

If You and/or Your enrolled dependents lose eligibility under this Plan, You may elect COBRA continuation coverage for the remaining period for which You would have been eligible if You had elected COBRA continuation coverage instead of enrolling in this Plan. If that time period has expired, You will not be eligible for COBRA continuation coverage.

Disabled Former Employee

If You are an eligible disabled former employee, You may enroll in this Plan. You are an eligible disabled former employee if You:

- were an eligible Participant in the University of Utah Employee Health Care Plan, Transitional Health Care Plan, or COBRA from either of those plans, on the day immediately preceding the date You enroll in this Plan;
- are totally disabled as defined by the University's Long-Term Disability Plan and have been totally disabled for 30 months from Your date of disability; and
- worked for the University in a benefit-eligible position for 5 consecutive years or more immediately prior to Your date of disability (including any leave protected under the Family and Medical Leave Act).

If You are an eligible disabled former employee and elect to enroll in this Plan, You may also enroll Your eligible dependents (defined below).

If You or Your eligible dependent are eligible or become eligible to enroll in Medicare, Your coverage under the Plan will be a Medicare Supplement Plan secondary to Medicare, regardless of whether You or Your eligible dependent enroll in Medicare.

Your coverage will terminate on the date You are no longer totally disabled or on the date You would otherwise lose coverage pursuant to the terms of the Plan (for example, nonpayment of premiums or submitting claims for individuals You know or should know are ineligible under the Plan).

If You lose eligibility under the Plan because You are no longer totally disabled and You do not qualify as an eligible retiree, coverage for You and Your enrolled dependents will terminate at the end of the month in which You are determined to no longer be totally disabled. If You and/or Your enrolled dependents lose eligibility under this Plan, You may elect COBRA continuation coverage for the remaining period for which You would have been eligible if You had elected COBRA continuation coverage instead of enrolling in this Plan. If that time period has expired, You and/or Your enrolled dependents will not be eligible for COBRA continuation coverage.

Surviving Spouse and/or Surviving Enrolled Dependents

If You are an eligible surviving spouse or surviving enrolled dependent, You may enroll in this Plan. You are an eligible surviving spouse or surviving enrolled dependent if You are the surviving spouse and/or surviving enrolled dependent of a deceased employee of the University and were enrolled in the University of Utah Employee Health Care Plan on the day immediately preceding the date of death of the employee or if You are the Surviving Spouse or surviving enrolled dependent of a deceased University Retiree.

If You are an eligible surviving spouse, Your coverage will terminate on the date You become eligible for another group plan (for example, through employment, etc.) or on the date You would otherwise lose coverage pursuant to the terms of the Plan (for example, nonpayment of premiums or fraud). If You are an eligible surviving enrolled dependent, coverage will terminate on the date You become eligible for another group plan, on the date You would otherwise lose coverage pursuant to the terms of the Plan, or on the date You lose eligibility under the Plan's then current definition of an eligible child.

If You are eligible or become eligible to enroll in Medicare, Your coverage under the Plan will be a Medicare Supplement Plan secondary to Medicare, regardless of whether You enroll in Medicare.

If You enroll in the Plan and later terminate participation in the Plan, You will only be eligible to reenroll in the future if You were enrolled in employer group coverage or a Medicare Advantage or Medicare Supplement plan. If You lose eligibility under the Plan, You may elect COBRA continuation coverage for the remaining period for which You would have been eligible if You had elected COBRA continuation coverage instead of enrolling in this Plan. If that time period has expired, You will not be eligible for COBRA continuation coverage.

Dependents

For eligible retirees and eligible disabled former employees, eligible dependents are limited to the following individuals:

- the person to whom You are legally married (spouse);
- Your domestic partner, provided that:
 - both You and Your domestic partner are age 18 or older;
 - You and Your domestic partner reside together in a permanent residence and have done so for at least 6 months and will remain members of the same household for the period of coverage;
 - You and Your domestic partner share a committed relationship and intend to continue that relationship indefinitely;
 - You and Your domestic partner are emotionally committed to one another and jointly responsible for the common welfare and financial obligations of the household or one is chiefly dependent upon the other for financial assistance;

- neither You nor Your domestic partner are legally married to anyone else or the domestic partner of anyone else;
 - You and Your domestic partner are not related in any way that would prohibit legal marriage in Your state of residence; and
 - You have completed and submitted an Employee and Partner Enrollment Form to University Human Resource Management and certified that all the above information is true and correct.
- Your (or Your spouse's or Your domestic partner's) children by birth, placement for legal adoption or foster care, or legal (court-appointed) guardianship granting full guardianship rights, who are under age 26;
 - a child who is under 18 years of age for whom the noncustodial parent is required by a court order or administrative order to provide health coverage, whether or not the custodial parent is a Participant and whether or not the noncustodial parent, who is eligible for this coverage, has enrolled hereunder. If You are not already enrolled in coverage, upon receipt of a court order, You will automatically be enrolled in the same coverage as the child; and
 - a child, as described in the third bullet above, who is any age and incapacitated from earning a living and without sufficient means for whom the noncustodial parent is required by a court order or administrative order to provide health coverage, whether or not the custodial parent is a Participant and whether or not the noncustodial parent, who is eligible for this coverage, has enrolled hereunder. If You are not already enrolled in coverage, upon receipt of a court order, You will automatically be enrolled in the same coverage as the child.

For an eligible surviving spouse, eligible dependents are limited to the following individuals:

- Your unmarried children by birth, placement for legal adoption or foster care, or legal (court-appointed) guardianship granting full guardianship rights, who are under age 26; and
- Children of the deceased employee born to You after the death of the employee.

Dependent Coverage Continuing Beyond Limiting Age

- You may continue coverage for Your (or Your spouse's or Your domestic partner's) unmarried, child at age 26 if the child is currently enrolled in the Plan as Your eligible dependent who is a Disabled Dependent (defined below). To do so, You must provide to University Human Resource Management, a written request to continue coverage along with proof that the dependent meets the Plan's definition of Disabled Dependent, as follows:
 - within 90 days after the dependent reaches age 26; and
 - at reasonable times thereafter as the Claims Administrator may consider necessary, but not more often than annually.
- You may continue coverage for Your (or Your spouse's or Your domestic partner's) unmarried, child at age 26 if the child is currently enrolled in the Plan as Your eligible dependent and is currently enrolled as a full-time student; and qualifies as Your Qualifying Relative as defined in the United States Internal Revenue Code (the child must meet all dependency tests as set forth by the United States Internal Revenue Code regarding taxability of employer-provided health coverage). To do so, You must provide to University Human Resource Management, a written request to continue coverage along with certification of the dependent's full-time student status, as follows:
 - within 90 days after the dependent reaches age 26; and
 - at reasonable times thereafter as the Claims Administrator may consider necessary, but not more often than annually.

You must promptly furnish or cause to be furnished to University Human Resource Management any information necessary or appropriate to determine the validity of a dependent's status. Receipt of such information by University Human Resource Management will be a condition precedent to continuing coverage for a person as a dependent under the Plan. In addition, You or the dependent must notify University Human Resource Management when the dependent is no longer eligible under these exceptions.

NEWLY ELIGIBLE DEPENDENTS

If You are enrolled as an eligible retiree or as an eligible disabled former employee (but not as an eligible surviving spouse), and You acquire a new dependent by marriage, birth or placement for adoption, You may enroll the new dependent, by completing and submitting to University Human Resource Management, a signed Health Care Coverage Change Form within 90 days of the date the dependent becomes eligible.

If You are enrolled as an eligible surviving spouse, children of the deceased University employee born to You after the death of the employee may be enrolled by completing and submitting to University Human Resource Management, a signed Health Care Coverage Change Form within 90 days of the child's date of birth.

Upon acceptance of Your properly completed change form, coverage for Your dependent will be effective retroactive to the date the dependent gained eligibility or, at Your request, coverage may be effective on the date University Human Resource Management accepts Your completed change form. If the change form is not submitted to University Human Resource Management within 90 days of the date the dependent gains eligibility, You may add the dependent to Your coverage only during the Plan's future Open Enrollment Periods, if any.

NOTE: When the addition of a new child by birth, adoption or placement for adoption does not cause a change in Your required health plan premium (as of the date of birth, date of adoption, or date of placement for adoption), You will have 30 days from the date the Claims Administrator first sends a denial of a claim for benefits for such new dependent, to submit to University Human Resource Management a signed Health Care Coverage Change form, requesting the child be added to Your coverage.

SPECIAL ENROLLMENT

If You did not enroll in the Plan when first eligible because You were enrolled in another active employer group plan or COBRA, You may enroll or reenroll in this Plan if You lose eligibility for coverage under the active employer group plan or if You reach the end of Your maximum COBRA period. You must request enrollment in this Plan within 31 days of the date You lose eligibility under the other coverage or You will be required to wait until the next Open Enrollment. Note that loss of eligibility does not include a voluntary termination of coverage, a loss because premiums were not paid in time, or termination of coverage because of fraud.

If You are an eligible surviving spouse, and You did not enroll in the Plan when first eligible because You were enrolled in COBRA, You may enroll in this Plan if You reach the end of Your maximum COBRA period. You must request enrollment in this Plan within 31 days of the date You lose eligibility under the other coverage or You will be required to wait until the next Open Enrollment. Note that loss of eligibility does not include a voluntary termination of coverage, a loss because premiums were not paid in time, or termination of coverage because of fraud.

If You are an eligible disabled former employee and do not elect to enroll in this Plan when first eligible because You were enrolled in COBRA, You may enroll in this Plan if You reach the end of Your maximum COBRA period. You must request enrollment in this Plan within 31 days of the date You lose eligibility under the other coverage or You will be required to wait until the next Open Enrollment. Note that loss of eligibility does not include a voluntary termination of coverage, a loss because premiums were not paid in time, or termination of coverage because of fraud.

ANNUAL ENROLLMENT PERIOD

If You are enrolled as an eligible retiree or as an eligible disabled former employee (but not as an eligible surviving spouse), You may add eligible dependents to Your coverage during the Plan's Annual Open Enrollment Period. Coverage for them will commence on the first day of the next Calendar Year.

If You are enrolled as an eligible surviving spouse, You may add children of the deceased University employee during the Plan's Annual Open Enrollment Period (You may not add a new spouse or other children). Coverage for new eligible children will commence on the first day of the next Calendar year.

If You are an eligible retiree and choose not to enroll in this plan at retirement, You may enroll in this plan at a subsequent open enrollment period.

DOCUMENTATION OF ELIGIBILITY

You must promptly provide (or coordinate) any necessary and appropriate information to determine the eligibility of a dependent. Such information must be received before enrolling a person as a dependent under the Plan.

DEFINITIONS

The following definitions apply to this Eligibility and Enrollment Section:

Disabled Dependent means a child who is and continues to be:

- unable to engage in substantial gainful employment to the degree that the child can achieve economic independence due to a medically determinable Physical or Mental Impairment which can be expected to result in death, or which has lasted or can be expected to last for a continuous period of not less than 12 months; and
- dependent on You for more than 50 percent of their support (food, shelter, clothing, medical and dental care, education and the like).

Mental Impairment means a mental or psychological disorder such as:

- intellectual disability;
- organic brain syndrome;
- emotional or mental illness; or
- specific learning disabilities as determined by the Claims Administrator.

Physical Impairment means a physiological disorder, condition or disfigurement, or anatomical loss affecting one or more of the following body systems:

- neurological;
- musculoskeletal;
- special sense organs;
- respiratory organs;
- speech organs;
- cardiovascular;
- reproductive;
- digestive;
- genito-urinary;
- hemic and lymphatic;
- skin; or
- endocrine.

When Coverage Ends

This section describes the situations when coverage will end for You and/or Your enrolled dependents.

AGREEMENT TERMINATION

If the Plan is terminated by the University, coverage for You and Your enrolled dependents will end on the date the Plan is terminated.

No person shall have or acquire a vested right to receive benefits after the date this Plan is terminated. Termination of Your or Your enrolled dependents' coverage under this Plan for any reason shall completely end all the University's and the Claims Administrator's obligations to provide You or Your enrolled dependents benefits for Covered Services received after the date of termination whether or not You or Your enrolled dependents are then receiving treatment or are in need of treatment for any Illness or Injury incurred or treated before or while this Plan was in effect.

WHAT HAPPENS WHEN YOU ARE NO LONGER ELIGIBLE

If You are no longer eligible as explained in the following paragraphs, Your and Your enrolled dependents' coverage will end as indicated. However, it may be possible for You and/or Your enrolled dependents to continue coverage under the Plan according to the COBRA continuation of coverage provisions in this Booklet for the period of time remaining if You had elected COBRA when first eligible.

Nonpayment

If You fail to make the required premium payments in a timely manner, Your coverage will end for You and all enrolled dependents on the date You fail to make such a required payment and You and Your enrolled dependents will not be eligible for COBRA.

Termination by University

If the University terminates Your coverage for any cause not otherwise specified, Your coverage will end for You and all Your enrolled dependents on the date of such a termination.

Loss of Eligibility

If You are an eligible surviving spouse, Your coverage will terminate on the date You become eligible for another group plan (for example, through employment, etc.) or on the date You would otherwise lose coverage pursuant to the terms of the Plan (for example, nonpayment of premiums or fraud).

If You are an eligible disabled former employee, Your coverage will terminate on the date You are no longer totally disabled or on the date You would otherwise lose coverage pursuant to the terms of the Plan (for example, nonpayment of premiums or fraud).

Death of the Participant

Your surviving spouse and Your Enrolled child(ren) may remain enrolled in the Plan; however, coverage will terminate for each child on the date each child loses eligibility under the Plan's then current definition of an eligible child.

WHAT HAPPENS WHEN YOUR DEPENDENTS ARE NO LONGER ELIGIBLE

If Your dependents are no longer eligible as explained in the following paragraphs, their eligibility for coverage will end at 12:01 a.m., Mountain Time, on the date of the event that makes them ineligible. However, it may be possible for Your ineligible dependents to continue coverage under the Plan according to the COBRA continuation of coverage provisions in this Booklet for the period of time remaining if You had elected COBRA when first eligible. **You or the dependent must notify University Human Resource Management of the ineligibility within 60 days of the event in order to be eligible for COBRA continuation of coverage** (see the COBRA Section for additional information).

Divorce or Annulment

Eligibility ends for Your enrolled spouse and the spouse's children (unless such children remain eligible by virtue of their continuing relationship to You) on the date the divorce or annulment is final. You or Your former spouse must notify University Human Resource Management of the former spouse's ineligibility under the Plan. In the event the Plan is notified within 60 calendar days of the date of divorce or

annulment, Your former spouse may continue coverage under the Plan according to the COBRA continuation of coverage provisions in this Booklet for the period of time remaining if Your spouse had elected COBRA when first eligible.

Loss of Dependent Status

- Eligibility ends on the first day of the month following the month in which an eligible dependent exceeds the dependent age limit (or the date the child is no longer a full-time student or incapable of self-support because of mental impairment or a physical impairment, if over age 26).
- Eligibility ends on the last day of the monthly period in which an enrolled child is removed from placement due to disruption of placement before legal adoption.
- Except when eligibility ends due to the death of the Participant, eligibility will end on the last day of the monthly period in which the enrolled child is no longer an eligible dependent for any other cause.

You or Your dependent must notify University Human Resource Management of an enrolled dependent's ineligibility under the Plan. In the event You provide written notification to the Plan within **60 calendar days** of the date the dependent becomes ineligible under the Plan, the dependent may continue coverage under the Plan according to the COBRA continuation of coverage provisions in this Booklet.

OTHER CAUSES OF TERMINATION

Claimants terminated for the following reasons may be able to continue coverage under the Plan according to the COBRA Continuation of Coverage provision.

Fraudulent Use of Benefits

If You or Your enrolled dependents engage in an act or practice that constitutes fraud in connection with coverage under this Plan or make an intentional misrepresentation of fact in connection with coverage, coverage under the Plan may be terminated. In addition, any person who files a statement of claim for an individual he/she knows or should know is ineligible under the plan or containing any information that he/she knows or should know is a misrepresentation or is false, incomplete, or misleading may be subject to termination of coverage, and may be guilty of a criminal act punishable under law and subject to civil penalties.

Fraud or Misrepresentation in Application

Coverage under the Plan is based upon all information furnished to the Claims Administrator, for the benefit of the Plan by You or on behalf of You and Your Beneficiaries. In the event of any intentional misrepresentation of material fact or fraud, including any fraudulent insurance act as described in Utah Code §31A-31-103 (or any successor thereto), the Plan will have the following rights:

- With regard to a Claimant's health status, a retrospective adjustment to the cost of coverage under the Plan may be made as would have been appropriate if true, accurate or complete information had been provided at the time of enrollment.
- With regard to a Claimant (including, but not limited to, a person who is listed as a dependent, but does not meet the eligibility requirements in effect with the Plan), coverage will be retroactively adjusted to the terms that would have existed if true, accurate or complete information had been received.

COBRA Continuation of Coverage

This COBRA Continuation of Coverage Section applies only when the University is subject to the continuation of coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, or COBRA. Under certain circumstances called Qualifying Events, Claimants may have the right to continue coverage beyond the time coverage would ordinarily have ended. The following rights and obligations regarding continuation of coverage are governed by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) as amended. In the event of any conflict between this continuation of coverage provision and COBRA, the minimum requirements of COBRA will govern. This provision will automatically cease to be effective when federal law requiring continuation of eligibility for coverage no longer applies to the University. This section does not provide a full description of COBRA. For more complete information, contact University Human Resource Management.

In order to preserve Your rights under COBRA, You must meet certain notification, election, and payment deadline requirements. Those requirements are described below.

Qualifying Events

Qualifying Events are certain events defined by COBRA regulations that cause an individual to lose health care coverage. Qualifying Events that trigger Your right to COBRA coverage are:

- voluntary or involuntary termination of the Plan Participant's employment for reasons other than gross misconduct;
- voluntary or involuntary termination of appointment as a member of an affiliated group for reasons other than gross misconduct;
- reduced hours of work for the Plan Participant, resulting in ineligibility for coverage;
- divorce or legal separation of the Plan Participant;
- death of the Plan Participant;
- loss of status as an "eligible child" under Plan rules;
- the Plan Participant becomes entitled to Medicare, resulting in ineligibility for coverage; or
- the employer files a Chapter 11 bankruptcy (only applicable to retired employees and their dependents covered under the Retiree Health Care Plan).

The Qualifying Event You experience determines Your notice requirements and the amount of time You may retain COBRA coverage.

When and How You Must Give Notice

You, Your spouse, or child must notify University Human Resource Management of a **divorce or legal separation**, or a **child losing dependent status** within **60 days** of the event. (The Plan is required to provide notice to You and/or Your enrolled dependents of the right to elect COBRA coverage due to any of the other Qualifying Events.) To provide this notice, You may complete the Health Care Coverage Change Form available on the internet at www.hr.utah.edu/ben/forms or in University Human Resource Management. Alternatively, Your spouse or child may give written notice of the Qualifying Event to University Human Resource Management at 250 E 200 S, Salt Lake City, UT 84111. The written notice must provide the individual's name and current mailing address, the specific Qualifying Event and the date of the Qualifying Event. If written notice is not provided to University Human Resource Management within **60 days** after the date of the Qualifying Event, all rights of that individual to elect COBRA coverage will be lost.

Once the Plan is properly notified of a Qualifying Event, it will send You and/or Your enrolled dependents information concerning continuation options, including the necessary COBRA continuation election forms. You and/or Your enrolled dependents will have 60 calendar days from the later of the date of the Qualifying Event or when You and/or Your enrolled dependent receive notice from the Plan in which to make an election.

If You or one of Your enrolled dependents qualifies for a Social Security Disability extension (described below), You must provide written notice to University Human Resource Management within 60 days of the date the Social Security Administration determination is made and while still within the 18 month

COBRA Continuation period following a termination or reduction of hours Qualifying Event. You must also provide a written notice to University Human Resource Management within **30 days** if a final determination is made that You are no longer disabled.

If You experience a Second Qualifying Event (described below), You must provide a written notice to University Human Resource Management within 60 days of the second Qualifying Event and during the original 18-month COBRA coverage period (or 29-month period if there has been a disability extension), in order to extend COBRA coverage to 36 months.

Qualified Dependents

Each individual who was covered under the Plan on the day before the Qualifying Event is a "Qualified Dependent" and has independent rights to purchase COBRA coverage. An exception to this rule applies if coverage is reduced or eliminated in anticipation of a Qualifying Event. COBRA coverage may still be available to a spouse or child who has been dropped from coverage in anticipation of divorce or legal separation. In this case, COBRA coverage will be effective upon the date of divorce or separation, not the date that coverage was terminated, and will only be available provided that, but for the lost coverage, the spouse or child would otherwise have been eligible. Qualified Dependent includes the covered employee, employee's spouse, and child or children.

Individual Election Rights

Each Qualified Dependent can elect COBRA coverage independently, even if the covered employee chooses not to elect COBRA coverage. COBRA coverage is available to each person who had coverage on the day before the Qualifying Event.

Length of COBRA Coverage

The length of COBRA coverage offered depends on Your Qualifying Event. If the Qualifying Event is termination of employment or a reduction of work hours, Qualified Dependents are given the opportunity to continue COBRA coverage for 18 months. If the Qualifying Event is death of the covered employee, divorce or legal separation, or loss of dependent status, COBRA coverage is available for 36 months. If a Qualified Dependent is determined to have been disabled on the date of the Qualifying Event or during the first 60 days of COBRA coverage, additional coverage may be available (see Social Security Disability below).

Social Security Disability

If Your Qualifying Event is termination of employment or reduction in hours and You or one of Your enrolled dependents is determined by the Social Security Administration to have been disabled on the date of the Qualifying Event or during the first 60 days of COBRA coverage, You and/or Your enrolled dependents may obtain an extension of coverage from 18 months to 29 months. It is Your responsibility to obtain the disability determination from the Social Security Administration and to provide a copy of the determination to University Human Resource Management within **60 days** after the date of the determination. The Social Security Administration determination must occur and You must notify University Human Resource Management before the end of the original 18-month period. **If You do not notify University Human Resource Management and provide the determination within these time frames, You will not be eligible for the 11-month extension of COBRA coverage.** If coverage is extended for an additional 11 months due to Social Security disability, Your COBRA premiums will be adjusted to 150 percent of the full cost during the extended 11-month coverage period. It is also Your responsibility to provide a written notice to University Human Resource Management within **30 days** if a final determination is made that You are no longer disabled.

Second Qualifying Event

Qualified Dependents, other than the employee, who enrolled in COBRA coverage as a result of the employee's termination of employment or reduction of work hours, who experience another Qualifying Event (divorce, legal separation, death of the covered employee, Medicare entitlement, or loss of dependent status), may extend COBRA coverage beyond 18 months (or 29 months if there has been a disability extension) to 36 months. You must provide a written notice to University Human Resource Management within 60 days of the second Qualifying Event and during the original 18-month COBRA coverage period (or 29-month period if there has been a disability extension), in order to extend COBRA

coverage to 36 months. The written notice must be sent to University Human Resource Management and provide the individual's name and current mailing address, the specific Qualifying Event and the date the event occurred. **COBRA coverage will never extend beyond 36 months of the date of the original Qualifying Event.**

When You Acquire a New Child While on COBRA

A child who is born to or placed for adoption with You while You are enrolled in COBRA coverage can be added to Your COBRA coverage upon proper written notification to University Human Resource Management (Health Care Coverage Change Form or written notice) of the birth or placement. Notification must be received within **90 days** of the date of birth or placement (if notification is not received within 90 days of the date of birth or placement, You will not be able to add the child to Your coverage until the next Open Enrollment period). The child will be a Qualified Dependent with an individual right to continue COBRA coverage through Your maximum COBRA period, unless You cancel his or her coverage or one of the events permitting extension or termination occurs.

If You are Retired and The University Files Chapter 11 Bankruptcy

COBRA also allows continuation of coverage if You are retired, the University files a Chapter 11 bankruptcy petition, and You or Your enrolled dependent experiences a loss of coverage (or substantial reduction in coverage) within one year before or after the bankruptcy filing. Retired employees, and the surviving spouses of retired employees who died before the bankruptcy, may continue coverage for the remainder of their lifetimes. If You are retired and die after the bankruptcy, Your enrolled dependents may continue coverage for up to 36 months after Your death.

If You Become Entitled to Medicare Before Electing COBRA

If You become entitled to Medicare before electing COBRA in connection with a termination of employment or reduction in hours Qualifying Event, You may maintain both Medicare and up to 18 months of COBRA coverage and Your enrolled dependents will be allowed to continue their COBRA coverage until the later of:

- up to 18 months from the Qualifying Event date, or
- up to 36 months from the date You became entitled to Medicare.

Electing Coverage

Qualified Dependents have **60 days** from the date of the Qualifying Event or if later, from the date of the notice offering COBRA, to elect COBRA coverage. (You are not eligible to elect COBRA coverage and this paragraph does not apply to You if You, Your spouse, or child failed to notify University Human Resource Management of a divorce or legal separation, or a child losing dependent status within **60 days** of the event, as required by COBRA.) If neither You nor Your spouse or child(ren) elect COBRA continuation coverage during the applicable election period, Your health care coverage will end according to the terms of the Plan. The Plan will not pay claims for services provided on and after the date coverage ends and You and Your dependents will have no right to elect COBRA coverage at a later date.

COBRA Premium Payments

If You elect COBRA coverage, You will be responsible to pay the full cost of coverage plus a 2 percent administration fee. The COBRA premiums, including this fee, will be listed on the "Notice of Right to Elect Continuation Coverage (COBRA)" that will be sent to You by the University. Coupons will be provided for premium payments; however, in the event You do not receive coupons, You are responsible for remitting payments timely to avoid termination of coverage.

Initial Payment

Payment must be received by University Human Resource Management within **45 days** of the date You elect COBRA coverage. Your first premium payment will include premiums due retroactive to the date You lost coverage as a result of Your Qualifying Event. If Your first payment is not received timely, COBRA coverage will not be effective and You will lose all rights to COBRA coverage.

Subsequent Payments

Payment for each subsequent period is **due on the first day of each month**. You will have a 30-day grace period from the premium due date to make subsequent payments. If the COBRA premiums are not paid within the grace period, Your COBRA coverage will terminate as of the end of the last period for which payment was received and You will lose all further rights to continue COBRA coverage.

Trade Adjustment Assistance (TAA)

If You are a TAA-eligible individual and do not elect continuation coverage during the 60-day COBRA election period that was a direct consequence of the TAA-related loss of coverage, You may elect continuation coverage during a **second** 60-day election period that begins on the first day of the month in which You are determined to be eligible. Provided such election is made not later than 6 months after the date of the TAA-related loss of coverage. Continuation coverage elected during the second election period will begin with the first day of the second election period, and not on the date on which coverage originally lapsed. The time period between the original loss of coverage and the start of the second election period cannot be counted for the purposes of determining whether You had a 63-day break in coverage, which affects pre-existing condition exclusions under HIPAA. In addition, TAA eligible persons could be eligible for a tax credit.

Changes in COBRA Coverage

You will have the same rights to enroll dependents and change elections with respect to the University health plan as similarly situated active employees of the University. Changes to coverage may be made during the University's Open Enrollment period each year.

Flexible Spending Accounts

If You participated in the University's Flexible Benefit Plan at the time of Your Qualifying Event and have a positive fund balance in Your flexible spending account, You may be allowed to continue participation in the Flexible Benefit Plan through the end of the plan year in which the Qualifying Event occurred. If You fail to make payment, Your participation in the Flexible Benefit Plan will terminate and expenses incurred after the termination date will not be eligible for reimbursement.

Financial Aid

Some states offer financial aid to help certain individuals pay for COBRA coverage. Contact Your appropriate state agency regarding availability and eligibility requirements.

When COBRA Continuation Coverage Ends

COBRA continuation under the Plan will end for You and/or Your enrolled dependents if any of the following occurs:

- The required premium payments are not paid within the timeframe allowed;
- You notify the COBRA administrator that You wish to cancel Your coverage;
- The applicable period of COBRA coverage ends;
- You become entitled to Medicare benefits;
- The date You reach the Maximum Benefit under the Plan;
- The University terminates its group health plan(s);
- You have extended COBRA coverage due to Social Security disability and a final determination is made that You or Your enrolled dependent is no longer disabled, coverage for all Claimants who had qualified for the disability extension will end as of the later of:
 - the last day of 18 months of continuation coverage, or
 - the first day of the month that is more than 30 days following the date of the final determination of the nondisability;
- After the date of Your COBRA election, You become covered under another group health plan that does not contain any exclusion or limitation for any of Your pre-existing conditions. The Health Insurance Portability and Accountability Act of 1996 (HIPAA) limits the extent to which health plans may impose pre-existing condition limitations. If You become covered by another group health plan with a pre-existing condition limitation that affects You, Your COBRA coverage can continue. If the

other plan's pre-existing condition rule does not apply to You by reason of HIPAA's restrictions on pre-existing conditions clauses, You are no longer eligible to continue COBRA coverage; or

- An event occurs that permits termination of coverage under the University health plan for an individual covered other than pursuant to COBRA (for example, submitting fraudulent claims).

General Provisions and Legal Notices

This section explains various general provisions and legal notices regarding Your benefits under this coverage.

CHOICE OF FORUM

Any legal action arising out of the Plan must be filed in a court in the state of Utah.

GOVERNING LAW

The Plan will be governed by and construed in accordance with the laws of the United States of America and by applicable laws of the state of Utah without regard to its conflict of law rules. The Claims Administrator is not the Plan Administrator, but does provide claims administration under the Plan.

LIMITATIONS ON LIABILITY

You have the exclusive right to choose a health care Provider. The Plan and the Claims Administrator are not responsible for the quality of health care You receive, since all those who provide care do so as independent contractors. Since the Plan and the Claims Administrator do not provide any health care services, neither can be held liable for any claim or damages connected with Injuries You suffer while receiving health services or supplies provided by professionals who are neither employees nor agents of the Plan or the Claims Administrator.

In addition, the Claims Administrator will not be liable to any person or entity for the inability or failure to procure or provide the benefits in the Plan by reason of epidemic, disaster or other cause or condition beyond the Claims Administrator's control.

NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT – STATEMENT OF RIGHTS

Under federal law, group health plans and health insurance issuers offering group health insurance coverage may not restrict benefits for any Hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the Plan or issuer may pay for a shorter stay if the attending Provider, after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, the Plan or issuer may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, the Plan or issuer may not, under federal law, require that a Physician or other health care provider obtain preauthorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain Providers or facilities, or to reduce Your out-of-pocket costs, You may be required to obtain preauthorization. Contact the Claims Administrator's Customer Service for additional information on preauthorization.

NOTICE TO INDIVIDUALS ENROLLED IN THE UNIVERSITY OF UTAH RETIREE HEALTH CARE PLAN REGARDING MENTAL HEALTH PARITY

The University of Utah, a Utah state government agency, has elected to exempt the University of Utah Retiree Health Care Plan from certain requirements federal law imposes upon private group health plans. Federal law gives the plan sponsor of a self-funded state governmental plan the right to exempt the plan in whole or in part from certain requirements.

The University has elected to exempt the plan from new requirements regarding parity in the application of certain limits to mental health and substance use disorder benefits. The federal requirements were amended on October 3, 2008, effective for plan years beginning after October 3, 2009.

The plan will continue to provide for certification and disclosure of creditable coverage for participants who lose coverage under the plan.

This exemption is effective for the Plan Year beginning December 31, 2021.

NO WAIVER

The failure or refusal of either party to demand strict performance of the Plan or to enforce any provision will not act as or be construed as a waiver of that party's right to later demand its performance or to enforce that provision. No provision of the Plan will be considered waived unless such waiver is reduced to writing and signed by one of the Plan Sponsor's authorized officers.

NONASSIGNMENT

Only You are entitled to benefits under the Plan. These benefits are not assignable or transferable to anyone else and You (or a custodial parent or the state Medicaid agency, if applicable) may not delegate, in full or in part, benefits or payments to any person, corporation or entity. Any attempted assignment, transfer or delegation of benefits will be considered null and void and will not be binding on the Plan. You may not assign, transfer or delegate any right of representation or collection other than to legal counsel directly authorized by You on a case-by-case basis.

NOTICES

Any notice to Claimants or to the Plan Sponsor required in the Plan will be considered properly given if written notice is deposited in the United States mail or with a private carrier. Notices to a Participant or to the Plan Sponsor will be addressed to the last known address appearing in the Claims Administrator's records. If the Claims Administrator receives a United States Postal Service change of address (COA) form for a Participant, the Claims Administrator will update their records accordingly. Additionally, the Claims Administrator may forward notice for a Participant to the Plan Sponsor if they become aware that the Claims Administrator doesn't have a valid mailing address for the Participant. Any notice to the Claims Administrator required in the Agreement may be mailed to the Claims Administrator's Customer Service address. However, notice to the Claims Administrator will be considered to have been given to and received by it if written notice is deposited in the United States mail or with a private carrier.

PLAN SPONSOR IS AGENT

The Plan Sponsor is Your agent for all purposes under the Plan and not the Claims Administrator's agent. You are entitled to health care benefits pursuant to the Agreement between the Claims Administrator and the Plan Sponsor. In the Agreement, the Plan Sponsor agrees to act as agent for You in acknowledging Your agreement to the terms, provisions, limitations and exclusions contained in this Booklet. You, through the enrollment form signed by the Participant, and as beneficiaries of the Plan, acknowledge and agree to the terms, provisions, limitations and exclusions described in this Booklet.

RELATIONSHIP TO BLUE CROSS AND BLUE SHIELD ASSOCIATION

The Plan Sponsor on behalf of itself and its Claimants expressly acknowledges its understanding that the Agreement constitutes an agreement solely between the Plan Sponsor and Regence BlueCross BlueShield of Utah, which is an independent corporation operating under a license from the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans (the Association), permitting the Claims Administrator to use the Blue Cross and Blue Shield Service Marks in the state of Utah and that the Claims Administrator is not contracting as the agent of the Association. The Plan Sponsor on behalf of itself and its Claimants further acknowledges and agrees that it has not entered into the Agreement based upon representations by any person or entity other than Regence BlueCross BlueShield of Utah and that no person or entity other than Regence BlueCross BlueShield of Utah will be held accountable or liable to the Plan Sponsor or the Claimants for any of the Claims Administrator's obligations to the Plan Sponsor or the Claimants created under the Agreement. This paragraph will not create any additional obligations whatsoever on the part of Regence BlueCross BlueShield of Utah other than those obligations created under other provisions of the Agreement.

REPRESENTATIONS ARE NOT WARRANTIES

In the absence of fraud, all statements You make in an enrollment form will be considered representations and not warranties. No statement made for obtaining coverage will void such coverage or reduce benefits unless contained in a written document signed by You, a copy of which is furnished to You.

RIGHT TO RECEIVE AND RELEASE NECESSARY INFORMATION AND MEDICAL RECORDS

It is important to understand that Your personal health information may be requested or disclosed by the Claims Administrator. This information will be used for the purpose of facilitating health care treatment, payment of claims or business operations necessary to administer health care benefits; or as required by law.

The information requested or disclosed may be related to treatment or services received from:

- an insurance carrier or group health plan;
- any other institution providing care, treatment, consultation, pharmaceuticals or supplies;

The Claims Administrator is required by law to protect Your personal health information, and must obtain prior written authorization from You to release information not related to routine health insurance operations. A Notice of Privacy Practices is available by visiting the Claims Administrator's Web site or contacting Customer Service.

You have the right to request, inspect and amend any records that the Claims Administrator has that contain Your personal health information. Contact the Claims Administrator's Customer Service to make this request.

NOTE: This provision does not apply to information regarding HIV/AIDS, psychotherapy notes, alcohol/drug services and genetic testing. A specific authorization will be obtained from You in order for the Claims Administrator to receive information related to these health conditions.

TAX TREATMENT

The Claims Administrator does not provide tax advice. Consult Your financial or tax advisor for information about the appropriate tax treatment of benefit payments and reimbursements.

WHEN BENEFITS ARE AVAILABLE

In order for health expenses to be covered, they must be incurred while coverage is in effect. Coverage is in effect when all of the following conditions are met:

- the person is eligible to be covered according to the eligibility provisions in the Plan; and
- the person has enrolled in coverage and has been enrolled by the Claims Administrator.

The expense of a service is incurred on the day the service is provided and the expense of a supply is incurred on the day the supply is delivered to You.

WOMEN'S HEALTH AND CANCER RIGHTS

If You are receiving benefits in connection with a mastectomy and You, in consultation with Your attending Physician, elect breast reconstruction, the Plan will provide coverage (subject to the same provisions as any other benefit) for:

- reconstruction of the breast on which the mastectomy was performed;

- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- prosthesis and treatment of physical complications of all stages of mastectomy, including lymphedemas.

Definitions

The following are definitions of important terms, other terms are defined where they are first used.

Affiliate means a company with which the Claims Administrator has a relationship that allows access to Providers in the state in which the Affiliate serves and includes only the following companies: Regence BlueShield of Idaho in the state of Idaho, Regence BlueCross BlueShield of Oregon in the state of Oregon and Regence BlueShield in parts of the state of Washington.

Allowed Amount means:

- For In-Network Providers, the amount that they have contractually agreed to accept as payment in full for Covered Services.
- For Out-of-Network Providers who are not accessed through the BlueCard Program, the amount the Claims Administrator has determined to be eligible charges for Covered Services. The Allowed Amount may consider factors such as amounts allowed for similar services by In-Network Providers, amounts allowed by other plans or programs or billed charges, as determined by the Claims Administrator and/or as otherwise required by law.
- For Out-of-Network Providers accessed through the BlueCard Program, the lower of the Provider's billed charges and the amount that the Host Blue identifies to the Claims Administrator as the amount on which it would base a payment to that Provider. In exceptional circumstances, such as if the Host Blue does not identify an amount on which it would base payment, the Claims Administrator may substitute another payment basis.

Charges in excess of the Allowed Amount are not considered reasonable charges and are not reimbursable. For questions regarding the basis for determination of the Allowed Amount, contact the Claims Administrator's Customer Service.

Ambulatory Surgical Center means a facility or that portion of a facility licensed by the state in which it is located, that operates exclusively to provide surgical services to patients who do not require hospitalization and for whom the expected duration of services does not exceed 24 hours following admission. An Ambulatory Surgical Center must be a freestanding facility, meaning that it exists independently or is physically separated from another health care facility by fire walls and doors and is administered by separate staff with separate records.

Beneficiary means a Participant's eligible dependent who is listed on the Participant's completed enrollment form and who is enrolled under the Plan.

Booklet is the description of the benefits provided by the group health plan. A group health plan with different benefit plan options may describe them in one Booklet or in separate Booklet's for each alternative benefit plan option.

Calendar Year means the period from January 1 through December 31 of the same year; however, the first Calendar Year begins on the Claimant's Effective Date.

Claimant means a Participant or a Beneficiary.

Commercial Seller includes, but is not limited to, retailers, wholesalers or commercial vendors that are not Providers, who are approved to provide new medical supplies, equipment and devices in accordance with the provisions of this coverage.

Covered Service means a service, supply, treatment or accommodation that is listed in the benefit sections in this Booklet.

Custodial Care means care for watching and protecting a patient, rather than being a Health Intervention. Custodial Care includes care that helps the patient conduct activities of daily living that can be provided by a person without medical or paramedical skills and/or is primarily to separate the patient from others or prevent self-harm.

Dental Service means services or supplies (including medications) that are provided to prevent, diagnose, or treat diseases or conditions of the teeth and adjacent supporting soft tissues, including treatment that restores the function of teeth.

Durable Medical Equipment means an item that can withstand repeated use, is primarily used to serve a medical purpose, is generally not useful to a person in the absence of Illness or Injury and is appropriate for use in the Claimant's home.

Effective Date means the date, following the Claims Administrator's receipt of the enrollment form, as the date coverage begins for You and/or Your Beneficiaries.

Emergency Medical Condition means a medical condition that manifests itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson who has an average knowledge of medicine and health would reasonably expect the absence of immediate medical attention at a Hospital emergency room to result in any one of the following:

- placing the Claimant's health, or with respect to a pregnant Claimant, her health or the health of her unborn child, in serious jeopardy;
- serious impairment to bodily functions; or
- serious dysfunction of any bodily organ or part.

Family means a Participant and his or her Beneficiaries.

Health Intervention is a medication, service or supply provided to prevent, diagnose, detect, treat or palliate the following:

- disease;
- Illness or Injury;
- genetic or congenital anomaly;
- pregnancy;
- biological or psychological condition that lies outside the range of normal, age-appropriate human variation; or
- to maintain or restore functional ability.

A Health Intervention is defined not only by the intervention itself, but also by the medical condition and patient indications for which it is being applied.

Health Outcome means an outcome that affects health status as measured by the length or quality of a person's life. The Health Intervention's overall beneficial effects on health must outweigh the overall harmful effects on health.

Hospital means a facility that is licensed as a general acute or specialty Hospital by the state in which the Hospital is located. A Hospital provides continuous 24-hour nursing services by registered nurses. A Hospital has an attending medical staff consisting of one or more Physicians. A Hospital per this definition is not, other than incidentally, a place for rest, a nursing home or a facility for convalescence.

Illness means a:

- congenital malformation that causes functional impairment;
- condition, disease, ailment or bodily disorder, other than an Injury; or
- pregnancy.

Illness does not include any state of mental health or mental disorder (which is otherwise defined).

- that has an effective participating contract with one of the Claims Administrator's Affiliates (designated as participating Provider in the "In-Network"), to provide services and supplies to Claimants in accordance with the provisions of this coverage.

If the Claims Administrator or one of its Affiliates has more than one Provider network from which the Plan Sponsor may choose for benefits under the Plan, then the Providers contracted with the network selected by the Plan Sponsor will be considered the only In-Network Providers for purpose of payment of benefits. For In-Network Provider reimbursement, You will not be charged for balances beyond any Deductible, Copayment and/or Coinsurance for Covered Services.

Investigational means a Health Intervention that the Claims Administrator has classified as Investigational. The Claims Administrator will review Scientific Evidence from well-designed clinical studies found in peer-reviewed medical literature, if available, and information obtained from the treating Physician or Practitioner regarding the Health Intervention to determine if it is Investigational. A Health Intervention not meeting all of the following criteria is, in the Claims Administrator's judgment, Investigational:

- If a medication or device, the Health Intervention must have final approval from the FDA as being safe and effective for general marketing. However, if a medication is prescribed for other than its FDA-approved use and is recognized as effective for the use for a particular diagnosed condition, benefits for the medication may be provided when so used.
- The Scientific Evidence must permit conclusions concerning the effect of the Health Intervention on Health Outcomes, which include the disease process, Illness or Injury, length of life, ability to function and quality of life.
- The Health Intervention must improve net Health Outcome.
- Medications approved under the FDA's Accelerated Approval Pathway must show improved Health Outcomes.
- The Scientific Evidence must show that the Health Intervention is at least as beneficial as any established alternatives.
- The improvement must be attainable outside the laboratory or clinical research setting.

Lifetime means the entire length of time a Claimant is covered under the Plan (which may include more than one coverage) through the Plan Sponsor with the Claims Administrator.

Medically Necessary or Medical Necessity means health care services or products that a prudent health care professional would provide to a patient for the purpose of preventing, diagnosing or treating an Illness or Injury or its symptoms in a manner that is:

- in accordance with generally accepted standards of medical practice in the United States;
- clinically appropriate in terms of type, frequency, extent, site, and duration;
- not primarily for the convenience of the patient, Physician, or other health care Provider, and not more costly than an alternative service or sequence of services or supply at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of that patient's Illness, Injury or disease; and
- covered under the Plan.

When a medical question-of-fact exists, Medical Necessity shall include the most appropriate available supply or level of service for the individual in question, considering potential benefits and harms to the individual, and that is known to be effective. For Health Interventions not yet in widespread use, the effectiveness shall be based on Scientific Evidence. For established Health Interventions, the effectiveness shall be based on first Scientific Evidence; then professional standards; and then expert opinion.

A HEALTH INTERVENTION MAY BE MEDICALLY INDICATED OR OTHERWISE BE MEDICALLY NECESSARY, YET NOT BE A COVERED SERVICE UNDER THE PLAN.

Out-of-Network means a Provider that is not In-Network. For Out-of-Network Provider services, You may be billed for balances over the Plan's payment level in addition to any Deductible, Copayment and/or Coinsurance amount for Covered Services provided inside or outside the area that the Claims Administrator or one of its Affiliates serves.

- a Hospital;
- a Pharmacy;
- a rehabilitation facility; or

Scientific Evidence means scientific studies published in or accepted for publication by medical journals that meet nationally recognized requirements for scientific manuscripts and that submit most of their published articles for review by experts who are not part of the editorial staff; or findings, studies or research conducted by or under the auspices of federal government agencies and nationally recognized

federal research institutes. However, Scientific Evidence shall not include published peer-reviewed literature sponsored to a significant extent by a pharmaceutical manufacturing company or medical device manufacturer or a single study without other supportable studies.
